Independent Study Proposal Form

The following independent study guidelines apply:

- Only juniors and seniors may undertake an independent study project.
- Independent study projects should not take the place of regularly scheduled courses.
- A 3.0 cumulative grade point average is required.
- Students may earn 1-4 credits for each independent study with a maximum of 12 credits applied toward graduation requirements.
- Students need to secure a faculty member's agreement to sponsor the project as indicated by a signature on this form.
- The approved Independent Study Proposal form must be returned to Brian Banks in the Student Services Office for a registration override.
- Brian Banks will send you an email message indicating that he has issued you an override, giving you your section # for registration.
