Dance Card Conversations

Instructions

1. Make rotations plan, ensuring that no one is speaking to the same person twice during the Dance Card Conversations.

2. Import rotation information into the respective template on the following pages:
    a. Replace “Name” at the top of the card with the name of an individual. Pay attention to whether an individual is a “star” (they rotate) or “diamond” (they stay in one spot).
    b. Replace “Rotation 1,” “Rotation 2,” etc, in the templates below with partner names.

3. When finalized, print and cut out individual dance cards.
