Lieutenant Governor John Cherry to Address GISD Staff

Lieutenant Governor John Cherry will address the GISD staff at the 2003-2004 opening of school breakfast on Wednesday, August 27 at Genesys Conference and Banquet Center in Grand Blanc. The Lieutenant Governor will speak from approximately 8:00-9:00 a.m. There will be time for questions from the staff following his address. However, press will not have an individual opportunity to interview Lieutenant Governor Cherry before or after the event because of a very tight schedule that day.

We anticipate that he will address many current issues including *No Child Left Behind, Education Yes* and the new report card which will be released in late September or early October. Other issues could include the state of the economy in Michigan, new plans for Flint and Genesee County as well as the current issues surrounding power outages.

Questions regarding the address can be forwarded to Elizabeth Boyd, press secretary to Lieutenant Governor John Cherry at (517) 335-6397, or GISD Superintendent Thomas Svitkovich at (810) 591-4402.
