INSTRUCTIONS FOR ANN ARBOR STUDENT TEMPORARY APPOINTMENT CHANGE FORM

General Use: This form is used to process changes to an active temporary appointment for a University of Michigan Ann Arbor student. Valid temporary appointment Job Codes and wage schedules are posted on the University of Michigan Compensation and Classification website. If you are trying to:

1. Hire an Ann Arbor student who is not currently employed in any university temporary appointment; or

Part 1. Unless noted below, provide a value for each field in this section. Failure to check appropriate boxes may result in your department not being reimbursed through the College Work Study Program. NOTE: **"Changing the effective date of the Work Study position to:"** is typically used to communicate when an active temporary appointment becomes a work study appointment for the term.

Part 2. The fields with **asterisks (*)** in the column heading are required for all appointment changes.

Part 3. Each of the three sections in Part 3 are required when terminating a temporary appointment. If you are correcting a previously submitted termination request, please indicate this in the Remarks section of the form. If terminating a Work Study position, remember to check the "Yes" box in Part 1. of this form. You can attach a separate page with additional remarks. NOTE: If a **"No Rehire"** or **"Restricted"** temporary employee is being terminated from a Health Systems department, the central office HR representative is in the U of M Health System Human Resources Department (HSHR, Room/Bldg: Suite 1100 NCAC, Zip 2435). All other central office HR representatives are in the University Human Resources' Staff Human Resources Department (Staff HR, Room/Bldg: 2005 Wolverine Tower, Zip 1281).

Contact/Supervisor/Authorized Signature Date: With the exception of **"Supervisor ID"**, all remaining fields are required to complete this form.

Payment Procedure:

- Temporary employees will be paid biweekly, one week in arrears every other Friday. Whenever an official University holiday falls on a payday, payment will be made on the last working day preceding such occurrence.
- Biweekly Hourly Time should be submitted by either hardcopy timesheet to the departmental supervisor or entered electronically, prior to the department's biweekly cutoff schedule.
- If employee does not make a selection in the "Paycheck Distribution Point" section of this form and/or does not complete the Direct Deposit or U.S. Mail Authorization Form, the employee's paycheck distribution will default to the University Payroll Office (0026) at the Wolverine Tower.

Nepotism: If a student temporary employee has recorded that a relative is a U of M employee when completing the online **Student Employment Application**; it is the hiring unit's responsibility to ensure compliance with SPG 201.23, **"Appointment of Relatives or Others with Close Personal or External Business Relationships."**

Temporary Employees Are Covered By: The University's Overtime Policy, Worker's Compensation, Social Security (subject to the student exclusion required by Federal Law), Unemployment Compensation (subject to the student exclusion required by State Law), and Travel Accident Insurance Plan. **Temporary employment does not establish eligibility for regular staff benefits.**
