	Please describe the Honors Capstone Project you intend to pursue. You should provide a few sentences that describe your current project idea and its status.
	Which semester(s) are you planning to engage in the Honors Capstone Project?
	If you have already identified your Honors Capstone Project faculty supervisor, please list that person's name and department. If you have not identified a faculty member yet, please describe your plans for identifying at least one faculty member to supervise your Honors Capstone.
