Dear Faye:

Thank you for your note of June 28 providing an update on Detroit Riverfront West. As additional follow up regarding the railroad property, my friend Bernie Gliberman has a friend at Norfolk Southern. Bernie has called this person in the past requesting that Norfolk Southern sell or provide an easement on property owned by the railroad on the Detroit River and is willing to call again. I would appreciate your thoughts on Bernie's offer to assist in this matter.

Thank you again.

Sincerely,

Carl Levin
