GENERAL CLUB RULES

Each player is *encouraged* to purchase a GHIN handicap. USGA rules govern all play except where local rules take precedence. See website for club and tournament rules. Check the back of scorecard for course rules.

Scorecards must be dated, signed and attested. Scorecards should include first and last names. Place completed scorecards in the designated envelopes for 9 and 18-hole players.

18-hole players must post **adjusted** scores with GHIN (*adjust gross score for Equitable Stroke Control*)* to be eligible for Weekly Prizes and Season Awards. This includes **all scores** from other courses in order to promote accurate handicaps. Players are responsible for recording scores and ringers in the designated notebooks to qualify for club events. Failure to comply may result in disqualification from club events. **Details on posting adjusted scores will be sent via email and are available in our binder.*

9-hole players should complete these 3 items at end of round:
1. Sign/date the scorecard and have it attested by the UWGC member with whom you played. Must play the round with another member to qualify for Weekly Games and Season Awards.
2. Record your round, hole-by-hole on sheet in the blue 9-Hole notebook and record your Weekly Game score in the last column.
3. Update your Ringer scores.

It is each player's responsibility to check for announcements throughout the season. Players should review the UWGC Bylaws & Policies for details on club play. This information is available on our website and in the binders in the pro shop.

Call the pro shop to schedule or cancel tee times at:
(734) 615-GOLF. Tee times will be added by staff as needed.

Course status including open/closed, carts/walking only/rough-only carts can be found at **https://twitter.com/umichgolfcourse** or by calling **734-615-GOLF**.
