Dear IWG folks,

I spoke with some of you in person earlier, but I wanted to reach out to the IWG as a whole and invite you to join a new email discussion list. The purpose of the list will be to organize and share information about the current crisis of academic freedom evidenced by the draconian and Orwellian punishments imposed on one of our colleagues. The list is open to all UM faculty, staff and GSIs on the three campuses.

In recent days, I heard and seen dozens of useful ideas about how to respond to and resist this encroachment. This email list would provide us a forum to share news and analysis, coordinate, organize, and pull together as a community.

Next steps: (1) If you'd like to join the list, please subscribe at:
https://groups.google.com/forum/#!forum/um-academic-freedom-network

(2) If you know of potential faculty, staff or GSI allies who might want to join the list, please forward this email to them.

Let me know if you have any questions or ideas.

in solidarity,
Samer
