Subject: Please share widely! Climate committee student member application now live
To: <ugedclimategroup@umich.edu>

Dear all,

In case you haven't seen this elsewhere, **the application for Climate Committee student members is live and will close on Sunday, November 4th, at 11:59 pm**. Please share widely with your student networks! Sample email invitation is below, in case it's useful.

Thanks!
Tara, on behalf of the SLE sub-committee

Are you passionate about improving U-M's campus climate related to issues of diversity, equity, and inclusion? Do you want to have a say in creating a campus environment in which everyone is treated with fairness and respect? **Then apply to become a student member of the LSA Undergrad Education Climate Committee!**

The Climate Committee was formed in the Fall of 2013 and is comprised of deans, directors, faculty, and staff. We are eager to partner with and empower undergrad students from a variety of communities across campus. Working together, we will:

- Use the perspective that you bring to the committee to re-shape our campus in ways that more closely reflect our values, making it possible for every individual on campus to find their voice and feel safe in their identity.
- Continue to educate ourselves and others on social justice principles and build skills necessary to actively engage with these issues.
- Create interventions (e.g., events, assessments, trainings, and resources) and support existing efforts to address campus climate issues.

Students who are selected to join the Climate Committee can expect a time commitment of around 3-6 hours a month, beginning January 2019 (including full committee meetings the first Monday of each month from 12:00-1:30 pm). If you have questions about the position or its requirements, please contact the Student Leadership and Empowerment Sub-Committee, SLCommittee@umich.edu.

This application will close on Sunday, November 4th at 11:59 p.m.
