SECTION GH: DRUG DEPENDENCE

GH1. (RB, P. 24) The next questions are about your use of drugs on your own. By "on your own" we mean either without a doctor's prescription, in larger amounts than prescribed, or for a longer period than prescribed. With this definition in mind, did you ever use any of the drugs listed on P. 24 of the booklet on your own during the past 12 months? You can just give me the number.

		GH1a. (RB, bottom of P. 24) How often did you use this drug in the past 12 months? Was it almost every day, 3 or 4 days a week, 1 or 2 days a week, 1 to 3 days a month or less than once a month?
