CURRENTLY READING: OUR WORK

About the Alliance Defense Fund

The Alliance Defense Fund is a servant organization that provides the resources that will keep the door open for the spread of the Gospel through the legal defense of religious freedom, the sanctity of life, marriage, and the family.

"The Alliance Defense Fund is a legal alliance defending the right to hear and speak the Truth through strategy, training, funding, and litigation."

Responding to the urgent need for a strong, coordinated legal defense of religious freedom, the leaders of more than 35 ministries – including the late Dr. Bill Bright, the late Larry Burkett, Dr. James Dobson, the late Dr. D. James Kennedy, and the late Marlin Maddoux – came together and launched ADF in 1994 to aggressively defend religious liberty by empowering our allies, recognizing that we can accomplish far more together than we can alone.

"I am the vine; you are the branches. If a man remains in me and I in him, he will bear much fruit; apart from me you can do nothing."
John 15:5

A History of Success

ADF has been blessed to take part in defending some of the most significant, precedent-setting cases threatening your religious freedom over the past 17 years. By God's grace, ADF has been successful in more than three out of every four of these cases litigated to conclusion.
