PEOPLE OF FAITH AGAINST DISCRIMINATION — A WITNESS FROM THE YPSILANTI COMMUNITY

On November 5, 2002, Ypsilanti Voters will vote on a proposed amendment to our City Charter. This amendment seeks to prevent the City of Ypsilanti from protecting the rights of its lesbian, gay and bisexual (LGB) citizens. If it passes, discrimination against your LGB neighbors will become legal in Ypsilanti. Furthermore, the amendment will render the City powerless to enact any future protections, while **stripping away the ordinance we already passed in 1998**!

AFSC and PEOPLE OF FAITH will be launching the largest people of faith action in Michigan in support of the current LGB ordinance (against the amendment) on September 21st.

- 10:00 am *training* **How to Canvass and Speak to Voters**
- 11:30 am *rally* **Show Our Community Support**, with guest speakers: Jimmy & Crystal Harris, Rev. Dr. Selma Massey (Full Truth), John Madison (Jewel Heart), Dawn Richburg (AFSC), and many others TBA
- 12:30 pm *voter drive* Our most powerful and visible campaign strategy is to **Get Out the Vote** using person to person, grass roots action. We estimate that this two hour session will result in over 1,000 individual conversations with voters — enough to make s significant difference in the campaign and insure we protect the current ordinance.
