LET YOUR LIGHT SHINE!

NOvember 4, 2002. 8:45p.m. Join us as we gather in front of Ypsilanti's City Hall with People of Faith, People of Spirit, and other concerned community members in a candlelight vigil and silent witness in support of the Ypsilanti Human Rights Ordinance. This is the eve of the vote to amend the City Charter to allow discrimination against LGBT people in Ypsilanti, so keep us in your thoughts whether you can physically attend or not!
