DRUMMING AGAINST DISCRIMINATION A WITNESS FROM THE COMMUNITY

YPSILANTI– WHAT IS THIS ABOUT?

On November 5th, 2002 an amendment to the Ypsilanti city charter will appear before Ypsilanti voters. This amendment seeks to prevent the City of Ypsilanti from protecting the rights of its lesbian gay and bisexual (LGB) citizens. If it passes, all kinds of discrimination against LGB people will become legal in Ypsilanti, and the city will be effectively prevented from enacting any future protections, WHILE STRIPPING AWAY THE ORDINANCE WE ALREADY PASSED IN 1998!

The amendment states that:

"Shall the City Charter be amended to prohibit the City from enacting, adopting, enforcing or administering any ordinance, regulation, rule or policy which grants special minority or protected status, quota preference or other preferential treatment based upon homosexual, lesbian, or bisexual orientation, conduct, or relationship?"

VOTE NO ON THE CHARTER AMENDEMENT
