PEOPLE OF FAITH/SPIRIT SAY NO TO DISCRIMINATION IN YPSILANTI

Vote NO on the Ypsilanti Charter Amendment!

As people of faith, motivated by the love which all of our traditions teach, we believe that no one should be discriminated against on the basis of race, color, religion, national origin, sex, sexual orientation, age, marital status, having a disability, familial status, educational association, source of income, height or weight. We know that discrimination has occurred in our city on the basis of the above categories, and we are committed to making Ypsilanti a City, which is truly safe and just for ALL. We believe that each human being is deserving of respect and equal protection under the laws of our city. It concerns us deeply that this ordinance might be abolished because of beliefs regarding lesbian, gay and bisexual people. This ordinance creates no "special rights." While we are diverse in our understanding of homosexuality as a moral issue, we are one in affirming the full rights of all people. As people of faith, we support the nondiscrimination ordinance and speak as one to say NO DISCRIMINATION.
