PEOPLE OF FAITH AGAINST DISCRIMINATION —
A WITNESS FROM THE YPSILANTI COMMUNITY

On November 5, 2002, Ypsilanti residents will vote on a proposed amendment to our City Charter. This amendment seeks to make it legal to discriminate against the lesbian, gay and bisexual citizens of Ypsilanti. If it passes, it will overturn the protections approved by voters in 1998 and render the city powerless to enact any future protections. Furthermore, it **threatens to invalidate the entire Human Rights and Fair Housing Ordinances which protect us all!**

AFSC & PEOPLE OF FAITH will be launching the largest people of faith action in Michigan in support of the current LGB ordinance (against the amendment) on September 21st.

- 10:00 am *training* **How to Canvass and Speak to Voters**
- 11:30 am *rally* **Show Our Community Support**, with guest speakers: Jimmy & Crystal Harris, Rev. Dr. Selma Massey (Full Truth), John Madison (Jewel Heart), Dawn Richburg (AFSC), and many others TBA
- 1:00 pm *voter identification* Our most powerful and visible campaign strategy is the grass roots action of **speaking to voters person-to-person**. We estimate that this two hour session will result in over 1,000 individual conversations with voters — enough to make s significant difference in the campaign and insure we protect the current ordinance.
