NOTE 1: "C" means that the project funded was only eligible under language contained in section 1118 of TEA-21 (the NCPD); "B" means that the project funded was eligible under language contained in section 1119 of TEA-21 (the CBI); "B/C" means that part of the project was eligible under language contained in section 1119 of TEA-21.

NOTE 2: Projects funded under the NCPD/CBI were frequently funded by other provisions of other laws, e.g., section 1602 of TEA-21, section 378 of the FY 2001 DOT Appropriation Act and section 330 of the FY 2003 DOT Appropriation Act. For several projects, the funding provided by these other provisions equals or exceeds the NCPD/CBI funding.
