The University of Michigan

SCHOOL OF DENTISTRY

Assistant Dean
for Community and Outreach Programs

The School of Dentistry, University of Michigan invites applications for the position of Assistant Dean for Community and Outreach Programs. A DDS/DMD or equivalent degree is required. An advanced degree is desirable. The assistant dean is responsible for all developmental aspects of outreach programs for the School of Dentistry and coordination of all off-site service-learning through all academic units, including predoctoral, dental hygiene, graduate, and residency programs. The individual should have established credentials as an administrator, experience in clinical training programs, and established leadership credentials. The candidate should also have a demonstrated scholarly distinction appropriate for a tenure or clinical track appointment at the associate professor/ professor level. Applicants should have a commitment to affirmative action, equal employment, and educational opportunities. The University of Michigan is a non-discriminatory, affirmative action employer.

Nominations and applications, including curriculum vitae and names of five references, will be accepted until a selection is made and should be directed to:
