The University of Michigan

SCHOOL OF DENTISTRY

Assistant Dean for Patient Services

The School of Dentistry, University of Michigan invites applications for the position of Assistant Dean for Patient Services. A DDS/DMD or equivalent degree is required. The assistant dean is responsible for the administration and operational activities of the Office of Patient Services and the clinical programs of the School of Dentistry in all matters related to patient treatment. This individual will serve as the Dean's representative for oversight of all patient-related services and activities, to include the predoctoral and graduate clinic programs and the dental faculty practice. Additional responsibilities include compliance with state and federal regulations related to patient care and credentialing of health care providers. The individual should have established credentials as an administrator, experience in clinical training programs, and established leadership credentials. The candidate should also have a demonstrated scholarly distinction appropriate for a tenure or clinical track appointment at the associate professor/professor level. Applicants should have a proven commitment to affirmative action, equal employment, and educational opportunities. The University of Michigan is a non-discriminatory, affirmative action employer.

Nominations and applications, including curriculum vitae and names of five references, should be submitted by February 3, 2003 to:
