Clarifications of China Entrepreneur Network Proposal

Dear MESA-Trotter Committee,

Here are our responses to your questions about our "Students Enrichment and Opportunity Grant" proposal. We also revised/updated our proposal for your review.

1. **Would you be able to specify which organizations from the School of Engineering and School of Business you are collaborating with for this event?**

   Response: The collaborated organizations from the School of Engineering are: Society of Business Engineer, M Powered (for the pre-session of the forum) and Center of Entrepreneurship.

   Our collaborators from the School of Business are: Center of International Business Education, Zell and Lurie Institute, Michigan Business Club, Global Investment Club, Entrepreneur and Venture Club.

2. **In addition, we noticed that in your proposed budget you list flights for ten guests, however in your proposal only list four guest speakers. When to the other six guests fit in, in this project?**

   Response: The four speakers listed in our proposal are keynote speakers. The other six speakers are panelists. However, three of them just informed us that they are not able to make it due to time conflict. So we updated our latest budget and took those three guests out of our budget. (See revised proposal for updated budget). Below is the detailed information about the panel/panelists.

Speaker	Panel	Role
Jing Wang	Social Innovation for a Better Future	Moderator and Panel Chair
Shukai Zhao	Social Innovation for a Better Future	Panelist
Yongguang Xu	N/A due to time conflict	N/A
Fangruo Chen	N/A due to time conflict	N/A
Clarence Kwan	Technology, Business Incubation and Entrepreneurship	Panelist
Shiyi Chen	N/A due to time conflict	N/A

3. **Can you explain what the CEN photo album is and the FedEx to China/US (noted in your budget)?**

Respond: "CEN photo album" is a collection of pictures that highlights CEN's achievements (1st CEN forum, innovation competition and seminars) from 2009 to now. It's for publicity purpose. The photo albums will be showed to speakers, guests and sponsors when CEN meet with them. The albums will also be displayed during the forum in different venues.

“FexEx to China/US” is shipping fee for forum materials and invitations to speakers and guests in both US and China.
