APPENDIX E

SAMPLE LIST OF REVIEWERS

*(to be included in **all promotion** packets and **all senior level appointment** packets: Professor, Associate Professor, Clinical Professor, Clinical Associate Professor, Senior Research Scientist and Senior Associate Research Scientist)*

Shirley Tilghman, Ph.D., Howard A. Prior Professor of the Life Sciences and Howard Hughes Medical Institute investigator, Department of Molecular Biology, Princeton University. Dr. Tilghman is a member of the National Academy of Sciences and one of the outstanding molecular developmental biologists in the world.

J. Larry Jameson, M.D., Ph.D., Charles F. Kettering Professor of Medicine and Chief, Center of Endocrinology, Metabolism, and Molecular Medicine, Northwestern University Medical School. Dr. Jameson is an expert in molecular endocrinology and serves on the editorial board of *Molecular Endocrinology.*

Jeff Murray, M.D., Ph.D., Professor of Pediatrics and Biological Sciences, University of Iowa. Dr. Murray is a pediatric geneticist, expert in craniofacial, eye, and tooth development, and in human genetics.

Kelly E. Mayo, Ph.D., Professor, Department of Biochemistry, Molecular Biology and Cell Biology, Center for Reproductive Science, Northwestern University. Dr. Mayo is an expert in molecular endocrinology, is a former chair of the Gordon Research Conference on Hormone Action, and an editor of *Molecular Endocrinology.*

Terry Magnuson, Ph.D., Professor of Genetics and Director, Center for Developmental Biology, Case Western Reserve University. Dr. Magnuson is an expert in developmental biology and is the Editor of *Developmental Genetics.* He is also Director of the Case Western Reserve University Transgenic Core Facility.
