ARLAN B. MEEKHOF
SENATE MAJORITY LEADER
MICHIGAN SENATE

July 24, 2018

Governor Rick Snyder
Attention Appointments Division
111 South Capitol Avenue
P.O. Box 30013
Lansing, MI 48909

Dear Governor Snyder,

I write to you today in strong recommendation of Mr. Robert Wilson for appointment to the Michigan State Waterways Commission.

Bob has a long history of service to our state and great dedication to our natural resources. After serving for nearly 30 years in the Senate Majority Policy Office as counsel for the Senate Natural Resources and Environmental Affairs and Outdoor Recreation committees, he is currently the Executive Director for the Michigan Trails and Greenways Alliance. Bob has been personally involved in nearly every significant natural resources, outdoor recreation, and environmental statute in this state. His recent efforts include successfully adding water trails to the Michigan Trailways Act.

An avid kayaker and motor boater, Bob has long been invested in the health and growth of our public waterways. His passion for the outdoors and wealth of experience both personally and professionally make him an exceptional candidate for appointment.

I proudly recommend Bob Wilson for appointment to the Michigan State Waterways Commission without hesitation and am confident he will serve faithfully and effectively. Thank you for your time and consideration.

Sincerely,

Arlan Meekhof
30th Senate District
Senate Majority Leader

Cc: Keith Creagh, Director of the Michigan Department of Natural Resources
Dennis Nickels, Chair of the Michigan Waterways Commission
