Dear Mr. Peterson:

I am sending this letter to inform you that your term as consultant to the Michigan State Waterways Commission will expire on December 1, 2016. I want to thank you for your valued service to the State of Michigan's recreational boating system and assisting the mission of the Waterways program.

Your passion for sustaining public accessible harbors, particularly in the greater Saugatuck area is appreciated. We will continue to collaborate with the greater Saugatuck/Douglas community to assist, as appropriate, with their masterplans to insure a vibrant harbor community is sustained into the future.

Thank you again for your service to the State of Michigan.

Sincerely,

Rick Snyder
Governor
