Faculty Governance Update to the Regents

THE UNIVERSITY OF MICHIGAN
REGENTS COMMUNICATION

June 2004

By the time of your June meeting, you will have received three separate reports from the Committees on the Economic Status of the Faculty (CESFs) of the Ann Arbor, Dearborn and Flint campuses. The Ann Arbor report is under a separate tab in this document.

SACUA commends the efforts of the three CESFs and requests the Regents and the administration to review the reports and comment on them. Additional copies can be obtained from the Faculty Senate Office.
