Subject: Faculty Governance Update

This past academic year, SACUA reinstated its tradition of inviting each Regent to attend a SACUA meeting for an hour in executive session to discuss general and specific matters of interest and to establish, to some degree, a more familiar relationship between the members of the Board of Regents and SACUA.

SACUA desires to continue that tradition this year and SACUA would like to thank the following Regents who came to visit SACUA this past year: Regent Darlow, Regent Ilitch, Regent Maynard, Regent Newman, and Regent White.

Submitted: June 2012

(On behalf of SACUA)
