Dear Doug:

On behalf of the Board of Toward A Fair Michigan, I thank the Government/Public Policy Empowerment Team of the Council for World Class Communities for cosponsoring the TAFM debate held at Lake Michigan College on April 24th. Thanks to you and to the other civic-minded organizations, TAFM is offering the citizens of Michigan ample opportunities to hear first-rate presentations from recognized experts on the subject of affirmative action preferences. Further, Michiganders are able to participate in reasoned and civil discourse on this important topic.

I am enclosing a summary of the feedback on the program, which was presented in the evaluation forms. I hope that you will conclude from this feedback (as we do) that our chosen approach of balanced rational discussion is one that audiences find informative and stimulating.

I very much enjoyed collaborating with you in the planning and implementation of the event.

Again, many thanks, and we look forward to exploring the potential for working together on another debate in the Benton Harbor/St. Joseph area in the fall.

Most sincerely,

Carol Allen
Program Director
