Dear Bob:

On behalf of the Board of Toward A Fair Michigan, I thank you for your participation in the TAFM debate held at Oakland University on February 1st. Thanks to you and to the other civic-minded individuals who have agreed to serve as speakers, TAFM will be able to provide the citizens of Michigan will ample opportunities to hear first-rate presentations from recognized experts on the subject of affirmative action preferences. Further, Michiganders will be able to participate in reasoned and civil discourse on this important topic. We appreciate your willingness to take time from your demanding schedule for this service to the state of Michigan at an historic moment.

I am enclosing a summary of the feedback on the program, which was presented in the evaluation forms. I hope that you will conclude from this feedback (as we do) that our chosen approach of balanced rational discussion is one that audiences will find informative and stimulating.

It was good to see you again, and I enjoyed the chance we had to talk at dinner after the program.

Again, many thanks, and I look forward to working with you on additional debates in the near future.

Most sincerely,

Carol Allen
Program Director
