Dear Justin:

On behalf of the Board of Toward A Fair Michigan, I thank you personally and the College Democrats of Oakland University collectively for co-sponsoring the TAFM debate held at Oakland University on February 1st. Thanks to you and to the other civic-minded individuals and organizations, TAFM will be able to provide the citizens of Michigan will ample opportunities to hear first-rate presentations from recognized experts on the subject of affirmative action preferences. Further, Michiganders will be able to participate in reasoned and civil discourse on this important topic. We appreciate your willingness to step forward and help provide this service to the state of Michigan at an historic moment.

We are especially grateful for all the impressive work you did on the logistics for the debate. Great job!

I am enclosing a summary of the feedback on the program, which was presented in the evaluation forms. I hope that you will conclude from this feedback (as we do) that our chosen approach of balanced rational discussion is one that audiences find informative and stimulating.

Again, many thanks, and we wish you well in your ongoing organizational endeavors.

Most sincerely,

Carol Allen
Program Director

Encl.

p.s. – I do not have the name of the president of the Association of Black Students. Would you please convey our thanks to them for their co-sponsorship? Thanks!
