Dear Al:

Thank you for making the enclosed handouts available to the audience at the debate. I have enclosed multiple copies of the one-page handout for audience members to take with them. I have also enclosed a single, display copy of the actual Discussion Group materials and the "Ask The Experts" booklet, in the hope that they can be used on a display table. Wish I could offer multiple copies of these materials, but my budget simply does not permit this.

Likewise, I wish I could provide "take-away" copies of the DVD itself. Instead, I am sending one copy which you may keep for yourself if you wish, or place as a sample on the display table, or use in whatever appropriate manner would be useful. Another debate planner elsewhere in the state is considering running the video in the lobby outside the debate area at his event, so perhaps that is something you'd like to consider as well.

Again, thanks, and I hope you have a successful program and a great turnout.

Sincerely yours,

Carol Allen
Program Director
