Define Play:

What: Describe the engagement activity on which you are reflecting, including its desired outcome(s).

What?

Who: List all of the primary people - including yourself - who are involved in this engagement activity.

Who?

Domain: Refer to the Michigan Public Engagement Framework. Write the name of the primary domain under which your engagement activity falls.

Domain?

Card Tableau

Taking away:

What?

What have you learned about your engagement activity?

So what?

Why is this important?

Now what?

What are you going to do with this new understanding?

Feeling:
