THE UNIVERSITY OF MICHIGAN

Law School Fund

SECOND ANNUAL REPORT

HUTCHINS HALL — ANN ARBOR, MICHIGAN — MAY, 1963

UNIV. OF MICH.
NOV 21 1963
LAW LIBRARY

Dean Allan F. Smith
University of Michigan
Law School
Ann Arbor, Michigan

Dear Dean:

I again have the pleasure of turning over to you a check and this time in the amount of $87,493.94 representing the fruits of this year's contributions to the Law School Fund.

This check represents an increase dollarwise of 76% over last year's contributions. In numbers the contributors increased from 1199 the first year to 1820 this year, or an increase of 51%.

I wish to express my thanks to the members of the National Committee, the Regional and Local Chairmen, Class Representatives, Alumni and friends of the Law School.

To have worked and communicated with the alumni of the Law School for two years, as National Chairman, and to have witnessed the enthusiasm and interest in the School is most convincing. The present results, while good, are not satisfying to us, our ideals whatever they may be lie further on. It is the thoughts of the future growth of this Fund that make it great. We have only put in the foundation. What we have done presently we have tried to do well so the future can tower far above its foundation. Where we are today is where the airplane was with the Wright brothers.

Many rough spots are still to be worked out in our organization. These will be erased by experience and the founders of this Fund will live to see it reach peaks now only conjured in our dreams.

Thanks again to you and Charlie Joiner for your great part in this year's campaign and for your wise counsel and guidance in the second year of the Law School Fund.

Sincerely,
Herbert E. Wilson
Chairman,
National Committee

Mr. Herbert E. Wilson, Chairman
Law School Fund
1416-17 Fletcher Trust Building
Indianapolis, Indiana

Dear Herb:

Growth is a marvelous thing. Parents watch with wonder the transformation of offspring from infancy to physical maturity. Teachers share with parents the delight in observing the growth in an individual's capacity to grapple effectively with intellectual problems, and in his perception of the problems of his society. In the same way, institutional growth, when channeled toward the achievement of worthy goals, is a phenomenon which brings joy to the sponsors. The splendid growth of the Law School Fund in its second year under your direction is a source of real pleasure to the Law School.

The increase in the number of participants is particularly satisfying as it indicates clearly the willingness of Michigan law alumni to respond to the known needs of the Law School. Last year's gifts alleviated a critical shortage of student loan funds, provided us with a distinguished visiting professor, and assisted in the support of student programs aimed at professional training. This year's Fund, with its larger total, will be used to satisfy the same needs, and hopefully will provide some support for our research library.

On behalf of the faculty, I express our warmest appreciation to you, to the dozens of alumni who served as local chairmen throughout the country, and to the hundreds of individual donors who have made growth of the Fund a reality.

Sincerely yours,
Allan F. Smith
Dean

RESOLUTION

Adopted by the Faculty of the Law School March 15, 1963.

In two years the alumni of the Law School have contributed more than $135,000 ($49,000 in 1961; $86,000 in 1962) to the welfare of the Law School and its student body through the University of Michigan Law School Fund. This money has been and will be spent in a way to help develop better lawyers as well as to increase our knowledge of law and its institutions. Particular attention is called to the more than 100 needy students who might not otherwise have been able to complete their Law School training but for the funds made available through the Law School Fund, the two distinguished visiting members of the faculty made possible by the Fund, the continued development of the library's resources of legal materials assisted by the Fund, and the needed funds to develop and expand the Practice Court program as well as to bring the courtroom to the classroom through closed circuit TV.

The faculty of the Law School is charged by the Regents with "providing instruction and continued research in law and in the science of jurisprudence, comparative jurisprudence, and legislation to the end that its graduates may become prudent counsellors, wise legislators, and useful leaders."

The Law School Fund gifts have assisted the faculty not only to meet its commitments but also to continue and develop the "extras of excellence" of which Michigan is proud. Therefore be it resolved that:

1. The faculty of the Law School expresses its gratitude on behalf of the School, the University and the citizens of the state to all who have given to the Law School Fund for their generous gifts.

2. Special thanks is given to the several hundred busy lawyers who have acted as solicitors, class agents, local chairmen, state chairmen, regional chairmen and members of the National Committee and who brought their many and varied talents to bear on planning this annual giving program, bringing it into being and carrying it out in a way to permit the Fund to grow through annual contributions.

3. This statement of pride on the part of the faculty in the interest and activity of the alumni of the School is to be communicated to the National Committee and the Law School Fund, its many helpers and all who gave to the Fund.
