The Plan for MOTORCITIES

Legend

- Boundary of the Heritage Region
- Stewardship Community [1]
- Hub District [1]
- Hub Gateway Venue [1]
- Heritage Routes [2]
- Affiliates [3]

Note 1
Designations of Stewardship Communities, Hub Districts, and Hub Gateway Venues are tentative. Final designations will require memoranda of agreement between ANHA, communities, and participating institutions to define roles and responsibilities. The shape of the Hub Districts is diagrammatic and the proposed boundary of each District is included in the September 19, 2001 Draft Plan.

Note 2
Other water, pedestrian, rail, and bikeway linkages are outlined in the Plan.

Note 3
Affiliates of MOTORCITIES are not shown on this map, but may include areas beyond the Heritage Region boundary, such as Kalamazoo, which have important automobile heritage resources and with whom the ANHA Partnership collaborates in educational and/or marketing efforts.
