

Environmental Justice Presentation – DHHS 06/26/2017
Follow-up Questions

1. Where can information on asthma rates for Southeast Michigan be obtained? Are they available by race/ethnicity?
 - a. Below are links to asthma data for Southeast Michigan (county level and city of Detroit). For the counties in this region, data are not available by ethnicity. Race data is limited to black and white.
 - i. [Detroit: The Current Status of the Asthma Burden](#) – Hospitalization data by race can be found on page 13 & 14.
 - ii. [Hospitalization and Medicaid Asthma Statistics by Michigan County](#) – County level data that includes race for hospitalizations.
 - iii. [Asthma Medicaid Data](#) – You can search various data indicators by county. There is a race demographic, but it's only for the whole state.
 - iv. Statewide data that includes race: [Disparities in Michigan's Asthma Burden](#) – This fact sheet highlights disparities in Michigan, but is not specific to Southeast Michigan. **Contact John Dowling DowlingJ@michigan.gov**
2. Who is the contact for the Eat Safe Fish Program. **Contact: Kory Groetsch GroetschK@michigan.gov**
3. How/from whom can they get more information about the MDEQ/MDHHS MOU? **Contact: Kory Groetsch GroetschK@michigan.gov**
4. Social Justice Training (See CHEP Services Description attached) MDHHS **Contact: Sheryl Weir weirs@michigan.gov**
5. Information on Health Equity Impact Assessment /Health Impact Assessment
 - a. Promoting Equity through the Practice of Health Impact Assessment-National Association of County and City Health Officials (NACCHO)
<http://www.naccho.org/uploads/downloadable-resources/Programs/Community-Health/HIA-Promoting-Equity.pdf>
 - b. Ontario Ministry of Health- Health Equity Impact Assessment Tool <http://www.health.gov.on.ca/en/pro/programs/heia/docs/template.pdf>
6. MDHHS- Health Disparities Reduction and Minority Health Section – Holes in the Mitten 6-part video series
