Detroit's Chinatown and its *Revitalization Efforts*

Chelsea Zuzindlak • Curator
Detroit Chinatown Exhibit, Detroit Historical Society

"This is an extraordinary young woman who promises to give an amazing presentation."

Residents of Detroit's "Chinatown" celebrate the 32nd anniversary of the founding of the Chinese Republic, October 11, 1943.

Ms. Zuzindlak's research interests include local Chinese populations, Detroit's Chinatown, and Chinatown revitalization efforts. Last summer, Ms. Zuzindlak completed a research project on the historical context of emigration, "Pursuit of a Global Citizenship: Reconsidering Emigration from China to the U.S." By integrating ethnographic data with U.S. and Chinese national statistics, Ms. Zuzindlak explores the complexities of emigrants' motives in an increasingly transnational and global environment.

The *Global Focus* series is presented by the Schoolcraft College International Institute and supported by a grant from the Schoolcraft College Foundation.
