School of Kinesiology Student Government

RESOLUTION KSG 2017-2018

A resolution to support the creation of a ME/NA racial category

Background: The University has demonstrated a commitment to efforts of diversity and inclusion through the implementation of strategies related to the plan for Diversity, Equity, and Inclusion. The Middle Eastern and North African (ME/NA) community has historically raised a concern that there is a lack of official recognition of their identity and existence on campus, having to identify as white.

THEREFORE: KSG recognizes the need for a ME/NA racial category to be created for use as a racial category on all University documents that collect racial and ethnic demographic data in order to identify the ME/NA community on our campus.

BE IT RESOLVED: KSG supports all efforts to implement the creation of the ME/NA racial category.
