The Honorable Representative Joe Knollenberg
United States House of Representatives
Washington, DC 20515

Dear Mr. Knollenberg,

As a preservationist in Southfield, I would like to express my sincere thanks for your support.

Please consider joining the Congressional Historic Preservation Caucus, co-chaired by Representative Brad Miller (D-NC) and Representative Michael Turner (R-OH). The Congressional Historic Preservation Caucus, established in 2003, brings together members of Congress who understand the value of America's historic places. Members of the Congressional Historic Preservation Caucus join together to support and encourage the preservation and thoughtful economic development of historic places in their districts, states, Indian reservations and as a matter of national policy. The caucus is now developing to serve as a clearinghouse for Members of Congress seeking information and sharing ideas on national, tribal, state, and local issues and opportunities in historic preservation.

I hope you will join. Please contact caucus staff Anna Rose (202) 225-3032 in Representative Brad Miller's office or Joe Heaton (202) 225-6465, in Representative Michael Turner's office.

Sincerely,

Isaac Griffin
