CitizenLetter

An urgent message from a concerned citizen.

January 3, 2008

Rep. Joe Knollenberg
U.S. House of Representatives
2349 Rayburn House Office Bldg
Washington, DC 20515-0001

Dear Rep. Joe Knollenberg,

I am writing to urge you to support impeachment proceedings against Vice President Dick Cheney.

Not since the days of Richard Nixon has a White House resident so deserved to face trial for high crimes and misdemeanors. The case against Cheney is clear-cut and compelling.

There is strong evidence that he exposed the identity of a covert CIA agent. That he played a key part in building a federal program to illegally spy on Americans. That he manipulated intelligence to push the U.S. into the Iraq war, which has cost almost 100,000 lives and up to $1.5 trillion.

Cheney's relentless attacks on the Constitution have placed our nation's founding document in a state of crisis. And Americans know it. A recent poll showed 70% think Cheney has abused his power and 54% favor impeachment.

Our system of checks and balances is what makes our democracy work. It seems now the only check sufficient to halt Cheney is impeachment. It's time to use it. Please tell me how you intend to address this issue.

Sincerely,

Jessica Sevilla
