
Dear Representative:

As your constituent, and on behalf of the WWII veterans in our community, I call upon you join as a Co-Sponsor and to vote for H.R.2923. The bill authorizes a $50 million federal grant to The National World War II Museum in New Orleans to build the United States Freedom Pavilion – a significant part of their $300 million expansion campaign. We owe it to our veterans, living or deceased, who literally saved the world for freedom, to preserve their story for future generations of Americans. I have made a personal contribution to this cause. I hope Congress will now do its part. H.R.2923 will also help New Orleans recovery efforts. Thank you.

Sincerely,
