Dear Representative:

I urge you to oppose and vote against H.R.1645, the amnesty bill Rep. Gutierrez deceitfully refers to as "comprehensive immigration reform." A much more accurate name would be the Mexican Migration and Welfare Act of 2007. This is vile ethnic pandering at its absolute worst.

If the Congress continues to ignore the demands of more than 80% of their constituents, there will surely be another house cleaning in '08. Please stand with your constituents by opposing this and all other amnesty bills.

By doing the right thing, you will be saving our country; our Social Security; our jobs and your seat in Congress.

Sincerely,

Bruce C. Leeburn
