Washington, DC 20515-2209

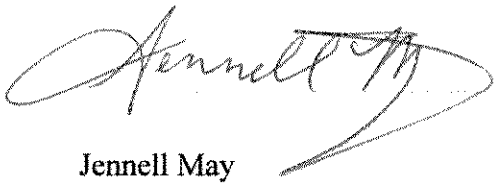

Re: Pass TBI Act Reauthorization Bill Now

Dear Representative Knollenberg:

I'm Jennell May of Farmington Hills. I acquired my Traumatic Brain Injury while I was away at college. On 4pm of this Saturday afternoon, a drunk driver ran a red light and struck me broadside at 56 mph. As one of your constituents, that fully knows the effects of this condition, I ask you to urge your colleagues on the House Committee on Energy and Commerce and in the House leadership to pass legislation to reauthorize the TBI Act (H.R. 1418) as soon as possible.

The TBI Act is a non-controversial, bipartisan bill that is key to improving care for Americans with TBI, including injured veterans returning from Iraq and Afghanistan. The Senate passed its version of the legislation by voice vote on December 11, 2007. Please do all you can to move this bill to the floor for swift passage and enaction into law without delay.

Sincerely,

Jennell May
