Dear Congressman Joe Knollenberg;

I would like to please beg your pardon; for I really need your help regarding my medicare.

There has to be some over-sight or mistake with their decision to deny me of an exception plan for on going treatment of aquatic therapy.

There has been some personality clashes between the provider and myself, they have been charging for aqua therapy and massage, yet they refuse to give me massage and I told them about it too!

Well now that I gone for treatment and the coverage is at the cap, they suppose to request the exception

met the extention and I give the decision of medicare to them in their hands after I sent all the papers, documents, and request in to medicare myself. 11/04/08

They have sabotaged me in my plight to receive this benefit of on going treatment for my illnesses.

There must be some mistake, because I have: Fybromyalgia, Closed-Head Injury, Arthritis, Carpal-Tunnel, Proforated Disks in back C6 and C7, and Torn ligaments in my neck. Also the Fybromyalgia causes Chronic Fatique, which causes Chronic Insomnia, and back to the Fybromyalgia Chronic Pain Syndrome. Please Congressman Knollenberg this is the
