Honorable Joe Knollenberg:

I am writing in regards to the House of Representatives House Bill HR-82 which is the "Windfall" legislation I would greatly appreciate your support on this bill.

I was a government worker for the U.S. Postal Service, Since retired (1993)

When I applied for Social Security Benefits, they told me I would be penalized 40% of my Social Security Benefits first because I was a government employee.

I don't think this is a fair way to treat Senior Citizens When they have earned the amount of money that is owed them.

I'm hoping that you see my side of receiving benefits that I should be entitled to and show your support for the "Windfall" Legislation HR-82

Thank You

Yours Truly
