Dear Rep Knollenberg,

I am asking you to provide more and better aid for the worlds poorest countries. Poverty can be reduced if we all work together. Better funded aid programs can help improve health, nutrition, education and water systems.

Please do all you can to increase proverty-focused development assistance by at least $5 billion in fiscal year 2009. I also would like the Congress to pass the Global Poverty ACT. Thank you!

Sincerely,
Christina Klegg
