Dear Representative,

HR4065

As your constituent, I strongly urge you to support H.R. 4065, introduced by Rep. James Sensenbrenner, a bill that represents a serious effort to secure our borders, enforce our immigration laws, and take away the incentives for illegal aliens to cross our borders in the first place.

If you already support this important bill, I salute you. If not, I strongly encourage you to do so.

That is why I urge you, in your capacity as my Representative, to do everything in your power to ensure passage of H.R. 4065, a bill that will begin to undo decades of damage as a result of dangerously irresponsible immigration policies.

Thank you.

Sincerely,

Mrs W Mancke
