Dear Todd:

Last week, I had the pleasure of hosting a reception for eleven extraordinary members of our community ready to serve our country. I nominated these young men and they were accepted into the Air Force, Naval, Merchant Marine Academies, and West Point. I am proud to say that this is the largest number of appointments since I have been in office.

This year we have three young men attending the Air Force, **Brent Drabek** from Rochester Hills, **Benjamin Misra** from Rochester, and **Erik Von Husen** from Farmington Hills.

There are two students appointed to attend the Naval Academy including **James Pearson** from Bloomfield Hills and **Matthew Stelmach** from Lake Orion.

Going to West Point there are five young men chosen from our district, **Patrick Coe** from Rochester, **Samuel Ellis** from Farmington Hills, **Nicholas Kemp** from Beverly Hills, **Seth Johnson** from Birmingham, and **Peter Williams** from Troy.

Finally **David Lew** from Bloomfield Hills was the only young man to be selected to attend the Merchant Marine Academy.

I hope you can join me in celebrating the accomplishments of these young men and I look forward to following what the future has in store for them.

Sincerely,

Joe Knollenberg
Member of Congress
