Three Thoughts to Ponder

7/4/08

Please Read !!

1. Cows
2. The Constitution
3. The Ten Commandments

Cows - Is it just me, or does anyone else find it amazing that, when investigating Mad Cow disease, our government can track a single cow born in Canada almost three years ago, right to the stall where she sleeps in the state of Washington ? And, they tracked her calves to their stalls. But they are unable to locate the 11 million illegal aliens wandering around our country. Maybe we should give each of them a cow.

The Constitution - They keep talking about drafting a Constitution for Iraq. Why don't we just give them ours? It was written by a lot of really smart guys, it has worked for over 200 years, and we're not using it anymore.

The Ten Commandments - The real reason that we can't have the Ten Commandments posted in a courthouse is this: You cannot post 'Thou Shalt Not Steal,' 'Thou Shalt Not Commit Adultery,' and 'Thou Shall Not Lie' in a building full of lawyers, judges, and politicians. It creates a hostile work environment.
