The Honorable Carl Levin
U.S. Senator
269 Russell Senate Office Building
Washington, DC 20510

Dear Senator Levin:

On behalf of all of us at LePage's, thank you again for successfully resolving our licensing issue with the Postal Regulatory Commission and our license agreement with the U.S. Postal Service. We will be forever grateful for all of your hard work, dedication and assistance with both of these daunting challenges and impressed by just how quickly you settled both of them!

Your integrity, responsiveness, and "hands-on" approach to our case are all excellent examples of what makes you so effective as a United States Senator, and your commitment to the people of Michigan is an important reminder that public service is a very high calling.

We enjoyed working with your very capable staff, especially Harold Chase, who is an extraordinarily talented professional and who serves you very well. He is extremely bright and tenacious, just like his boss.

It is not an exaggeration to state that this was a life or death situation for our family owned company and the 20 jobs we support in Michigan. Thanks to you, we look forward to the opportunity to continue to grow this business, hire more people and provide excellent service and products to the U.S. Postal Service.

I hope you will accept an open invitation to come back and visit our facility in Romulus again at your earliest convenience. It would be wonderful have an opportunity to thank you in person for everything you have done for us. In the meantime, please do not hesitate to contact me directly if I may ever be of service to you.

Sincerely,
