The Honorable Barack Obama
1600 Pennsylvania Avenue, NW
Washington DC 20500

Dear President Obama:

I am writing in support of the invitation from the Michigan 2011 Cyber Security Summit on October 6th and 7th in Washtenaw County Michigan. It is my sincere hope that you will attend this event and make it the Kick-off Event for National Cyber Security Awareness Month.

With the assistance of the Department of Homeland Security, the State of Michigan and over 50 other partners, Washtenaw County has been able to create a model coalition to address cyber security awareness and education needs for small business, home users and government. For that reason, Governor Rick Snyder has asked the Washtenaw County Coalition to host the state summit in 2011.

I will be participating in this event, and will be encouraging all the members of the Michigan Congressional Delegation to attend as well. I ask that the White House also participate to highlight this vital issue facing all the citizens of the United States.

With every good wish,

Sincerely yours,

John D. Dingell
Member of Congress
