NOTE: 1) A new IPEDS structure has been mandated by the government.

NOTE: 2) Faculty are counted in IPEDS category 'Postsecondary Teachers'

NOTE: 3) The government considers Graduate Assistants (IPEDS category F, G, & H) and House Officers (a subset of IPEDS category M) part-time for the IPEDS survey even if they carry a 100% effort. For this reason we count them as part-time for this summary report as well.

NOTE: 4) Non-faculty appointments are now counted for the period they are appointed for (in previous years all non-faculty appointments were counted as 12-month regardless of their appointment period).
