Dear Dean Steele:

It is my pleasure to inform you that the trustees of the Mandell and Madeleine Berman Foundation have approved a grant of $50,000 to the Stanford University School of Education toward the costs of the Jewish Educational Leadership Panel of the Consortium for Applied Studies in Jewish Education (CASJE), a project designed to bring together both academics and practitioners to contribute to the development of a research agenda in the field of Jewish education.

Attached please find a grant agreement. If you agree with its terms, please sign two copies and send them back to our office. We will then sign and send you back a fully executed copy for your files.

Please feel free to call or email me anytime with questions about the grant or the grant process.

Congratulations! I very much look forward to continuing to work with you.

Sincerely,

Sarai Brachman Shoup
